Our nation's businesses are a vital component of our national economy and must be afforded every opportunity to prosper, grow, and create jobs. In an effort to give community business leaders the opportunity to meet with federal government officials and discuss policies, which may affect your livelihood and your community, I invite you to my fifteenth annual North Carolina Business & Economic Development Summit.

This year's event, entitled "Taking Care of Business," will be on Monday, September 12th, and Tuesday, September 13th. Both days' events will be held in Washington, D.C., in the Capitol Visitors Center. This widely-attended summit draws hundreds of North Carolina business leaders. Please mark your calendars and make plans to attend!

There is no charge for this event. For more information or to register please call Congressman McIntyre's office at 202.225.2731 or email Kara.Spencer@Mail.House.Gov.

I look forward to seeing you in our nation's capital!

Sincerely
Mike McIntyre
Member of Congress
